Esteemed legislator

My Name is Cecilia Hernandez.

I am a Participant in family
live Education in Hartford.

An agency that receives funding
for Programs from the Children's
trust fund. the reason for my
letter is to ask you to "not cut
the funding for the children's trust
fund" because this would negatively
Impact many families in our agency.

I participate in nurturing families
in the year 2006

Please Do not cut The FUNDININ
FOR THE NURTURING families Program
at OUR ageny and other agencies
because during these hard times.
We need all the help we could get
from these programs to keep our
families health and away from
abuse.

Thank You for YOUR time,

Cecilia Hernandez
